## CONSTRUCTION SITE & SAFETY

**WE ARE ALREADY LOOKING FORWARD TO GIVING YOU AN EXCLUSIVE ON-SITE PRESENTATION OF VIENNA TWENTYTWO LIVING.**

However, we would like to point out that since work on the completion of the project is currently in full swing, the construction site guidelines must be complied with in order to guarantee the safety of all individuals. It is with this in mind that we kindly ask that you read the below points before the viewing. Please do not hesitate to contact us at any time on +43 (0)664 6102500 if you have any questions.

## Consultation

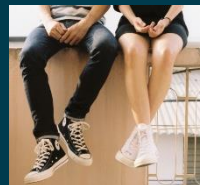

**THE ENTRANCE FOR THE CONSULTATION IS ON STRASSE DER MENSCHENRECHTE, A-1220 VIENNA.**

Please call +43 (0)664 610 2500 as soon as you arrive. After you have signed the construction site regulations we will lead you safely to the show apartment. If you can't find the entrance or a member of our consulting team, just call the number above.

## Footwear

**PLEASE BRING FLAT LACE-UP FOOTWEAR WITH YOU TO THE VIEWING.**

According to the construction site guidelines, people wearing slip-on or high-heel shoes are not allowed to enter the site due to the risk of injury. The site supervisor will make the necessary checks upon entry. In the event of unsuitable footwear, a new viewing appointment will have to be arranged for your own safety.
